Take Me Out to a Bears Game!

See if you can remember the day: It was warm, almost hot, and your Dad took you to a place that bordered on magical. The grass was greener than any lawn in the neighborhood, and the sounds and smells were everywhere. Hot dogs, peanut shells, Cracker jacks and happiness. It was Baseball!

Well, baseball is back in Newark and it's even better than your memory. Minor league baseball, where you sit close enough to steal the signs, where the players sign autographs for free and where Little Leaguers get the thrill of a lifetime when they run out on the field with the home team for the National Anthem.

Minor league baseball is a Newark tradition, and after five long decades that tradition has been born again. Stadium construction is now complete, and it was worth the wait.

With nearly 6000 seats on top of the action, a terraced picnic area, a party

deck, plenty of convenient parking and enough concession stands and strolling vendors to keep waiting to a minimum, Riverfront Stadium has what it takes to make everyone a kid again. Test your arm against the radar gun or just let your memory wander

back to the days of the legendary '37 Bears or the '46 Negro League World Champion Newark Eagles. So come on back to baseball as it was meant to be; come back to Bears' baseball. And yes, the grass really is greener. It's magic.

Luxury Skyboxes Available for 2000

With construction complete, the 20 luxury skyboxes at Riverfront Stadium are now available for the 2000 season.

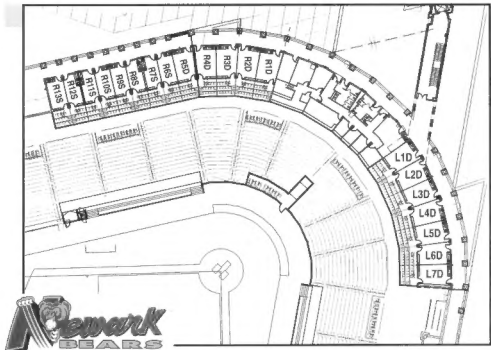

The suites come in two sizes: Standard and Deluxe. The Standard Suite has 12 exterior seats on a private mezzanine in addition to interior seating. The Deluxe Suite has 14 private mezzanine seats plus interior seating.

Suite users enjoy the privacy of the press level of the stadium, with elevator service right outside the main gate direct to their suites.

With their wet bars, individual climate controls, wall to wall carpeting and personalized catering service, plus a bird's eye view of the action, skyboxes are the perfect way to make a ballgame a ball.

Suite prices start at \$24,750 a season for the Standard which includes 18 tickets to every event held at the stadium.

Deluxe suites are available for \$27,500 per year, including 20 tickets per event. Special reserved parking plans, with Preferred spaces adjacent to the stadium, are also available. For more information, see "Details, Details" on the next page.

All of Riverfront Stadium's 20 luxury skyboxes offer a great view of the action. Standard boxes (e.g. RGS above) come with 18 tickets to Bear's home games and all other events at the stadium. Deluxe boxes (e.g. L4D) include 20 tickets per event.

Details, Details: Skybox Terms and Conditions

The 20 luxury skybox suites at the Stadium are available on a first come, first served basis. Appointments to view the stadium and the suites that are still available can be made by calling Maria Carlone at the Essex County Improvement Authority at (973) 575-0952.

Preferred Locations: Riverfront Stadium's suites are located along the first and third base line with unobstructed views of the action. Because of the unique design of Riverfront the suites are closer to the field than those at most stadiums, letting you be in on every play.

Equipment: Suites include wall-to-wall carpeting, a wet bar area, cable television, individual climate controls, service telephone to contact the stadium concession-

aire, security and first aid, and either 12 (Standard) or 14 (Deluxe) exterior seats.

Tickets: The basic suite package includes tickets for all events held at the Stadium, including all 76 Bear's home games, plus playoffs if the Bears qualify, as well as all of the football games, soccer matches, concerts, festivals, and high school and college sports expected to be played at Riverfront. Standard suite patrons receive 18 tickets to each event and Deluxe suite patrons receive 20 tickets per event.

Complimentary Service: Suite patrons receive free yearbooks and scorecards and all game day promotional items delivered right to their suite. And both young and old will enjoy the chance to meet Bears' players and coaches as they visit the suite

level before the game to talk baseball and sign autographs.

Food and Beverage Service: Suite users receive exclusive in-suite catering service, with all regular Stadium menu items available, as well as menu options for suite customers only. Still not enough? With 24 hour notice, the stadium chef will provide anything from artichokes to zucchini, prepared to your order.

level via either secured stairways or the special suite level elevator. Access is available 90 minutes prior to every event for pre-game entertaining and continues until 90 minutes after the event ends so you can celebrate every Bears' victory and every other event in style. Suite users also enjoy exclusive restroom facilities.

Term: Agreements for suite use are offered for a three year term, starting on January 1, 2000. Suite users will be given a right of first refusal to renew their lease after the initial term, upon such terms and conditions as are in effect for that future period.

Price: Standard suites are available for an annual fee of \$24,750. Deluxe suites are available for an annual fee of \$27,500. Payment for the 2000 season is due upon the signing of the agreement, and payment for future years is due on the December 1st preceding each season.

Special Orders Don't Upset Us

Luxury suite users can be sure to find just the right menu for every event. Gourmet Dining, the exclusive concessionaire for Riverfront Stadium, offers a wide variety of food and beverage options served right to your door before, after and during the game.

Don't see what you want on the regular menu? Call 24 hours in advance and Gourmet will handle anything from Down Neck's mariscada to Bloomfield Avenue's Italian hot dogs to caviar and filet mignon.

Just ask!

Skybox seats offer a great view of the action and the convenience of a wet bar and deluxe catering service with special menus exclusively for suite patrons.

Are You Ready For Some Football?

Bear's baseball is great, but it's not the only game in town. Riverfront was designed to accommodate a wide range of events and plans are underway now to keep the stadium hopping from spring through fall.

Last season the park made its debut as the new home of the Pride Bowl, bringing college football back to the city. The Pride Bowl will

be back this year, along with a host of other features. The final schedule is not yet complete, but you can expect Riverfront to rock with more football soccer, concerts and festivals. And suite patrons will be there, with tickets to all events a part of the suite package.

Special guests and special events happen everyday at Riverfront. Owner Rick Cerone and his friends make every Bears' game a memorable experience for business contacts, colleagues, families and friends.
